## Sibling Reduced Fees

Charges are reduced for second and subsequent children at the school simultaneously. Sibling reductions are not offered in conjunction with any other discount. The reduction percentage is shown below:

Early Years Siblings	20% of full fee
Main School First Sibling	25% of full fee
Main School Subsequent Siblings	25% of full fee

## Educational Materials Charge

Materials Charge (per Student)	£70.00 per Term
--------------------------------	-----------------

During the course of an academic year pupils may incur extra charges. Depending upon the nature of these items they may be charged either in advance or in arrears.

## Examination Enrolments

Examination fees are included in tuition fees. Additional charges may be levied if candidates require a scribe, transcript or a modern language specialist. Other charges may be made in the event of examination retakes and remarks or if pupils are withdrawn from examinations.

## Other Charges

Educational Reports / Transfer Reports	£20.00 per Report
--	-------------------

## Extra Lesson Support & Music Services

All extra-curricular activities, educational excursions or trips abroad are to be paid in full prior to participating in the activity. The school reserves the right to exclude a pupil from a residential trip if school fees are in arrears. All educational trips and trips abroad will require a non-returnable deposit in order to secure a place. This may vary depending on the type of trip.

## English as an Additional Language

All pupils enrolled at Brighton Waldorf School must have sufficient fluency in English to enable them to access the learning provided. Where a pupil requires additional language support the school may provide those lessons at additional cost to the parent/carer.

## **Early Years Entitlement (EYFE) 15 & 30 Hours**

We are registered with the Local Authority's Early Years Free Entitlement (EYFE) scheme for some 2 year olds and all 3 and 4 year olds (based on eligibility). The EYFE applies for the beginning of the term after their 3rd birthday until the end of term in which they are 5. Entitlement is 15 hours per week that can only be taken within specific hours and is subject to availability. We do also provide the 30 hours entitlement option dependent on eligibility, subject to availability and to be taken within specific 'stand-alone' times.

## **Bursary Program**

Brighton Waldorf School operates a means-tested Bursary Program allowing families on lower incomes to pay lower tuition charges. The Trustees allocate an amount to the Bursary Fund on an annual basis. This fund is distributed at the onset of every academic year.

Access to the scheme is through evidence based means testing in which applicant families are required to submit details of their financial circumstances. The school endeavours to assist all families who meet our eligibility criteria but the programme has a finite budget in any particular case. In any event, the award of a bursary is at the absolute discretion of the school.

Bursaries are provided for the academic year to which application was made and are subject to review for each subsequent year. The level of bursary assistance can vary from year to year.

The maximum bursary available would result in a 25% reduction in fees.

## **Alumni Policy**

Brighton Waldorf School welcomes application from former student families. Admission is not automatic and is subject to the normal entry assessment but where successful a discount of 5% is given if there are no other concessions or bursaries granted.

## **Overseas Applicants**

All permanent enrolments of Overseas Pupils are subject to the conditions for study in the UK and that the applicant is supported by a relative or legal guardian living in the UK where the applicant is resident. The Bursary Program is not available to Overseas Applicants

## **International Student Program**

Brighton Waldorf School provides an International Student Program for applicants on a short term enrolment basis. The Bursary Program is not part of this provision.

## **Payment**

Financial Contributions and other applicable charges are invoiced termly in advance. These are payable no later than the first day of the term to which they apply.

The School provide Direct Debit scheme for all invoices.

Alternatively and subject to prior arrangement payment can be made in equal monthly payments by standing order spread over a year. These will be payable monthly in advance on the 4th of each month. Where payment is made monthly a 5% administration fee is levied.

Additional lessons are normally charged termly in arrears. All such invoices are due for payment upon receipt.

There is no rebate for periods of absence.

## **Late Payment**

A 1.5% surcharge is levied on all missed payments. If a payment remains outstanding after the end of the month in which it is due the child/children will not be able to return to school until payment is made.

A returned items penalty of £25.00 is charged per effect.

## **Contract**

Parents are required to sign a contract with the school, which outlines the conditions of entry and their responsibilities to the school. By sending children into school parents signify their agreement to these conditions.

## **Notice to Leave**

The school requires one full term's notice of withdrawal, in writing to the School Leadership, to be received no later than the first day of the child's last term at the school; otherwise a full-term fee will be charged.

## School Fees

School Fees revisions are normally applied for the academic year starting in September. Where possible changes are communicated at the start of the summer term prior. The School will use all reasonable endeavours to set fees which will be applicable during the whole of the academic year. However, the School reserves the right to increase fees at any time during the academic year (particularly as a result of matters outside the control of the School).
