Policy statement

The Trustees of Brighton Waldorf School note the provisions of the Health and Safety at Work, etc. Act 1974 (s.2(1)), which states that it is the duty of every employer to ensure, so far as is reasonably practicable, the health, safety and welfare of employees, and (s.3(1)), which states that it is the duty of every employer to conduct his or her business in such a way as to ensure, so far as is reasonably practicable, that persons who are not in his or her employment but who may be affected by it are not exposed to risks to their health and safety. This includes a responsibility to take all reasonably practicable steps to secure the health and safety of pupils, staff and others using the school premises or participating in school-sponsored activities, both on the school site and away from it.

The school takes all such steps as are reasonably practicable to fulfill its responsibilities, paying particular attention to regulations in:

- First-aid equipment, facilities and staff
- Fire precautions
- Maintenance of electrical systems

- Personal protective equipment
- Use of display screen equipment
- Manual handling operations
- Asbestos and Legionella
- Working at heights
- Noise.

Hirers, Contractors and Others

When the premises are used for purposes not under the direction of the School Leadership Team, then the principal person in charge of the activities for which the premises are in use has responsibility for safe practices.

The Administrator, Health & Safety Coordinator or the co-ordinator of a particular activity seek to ensure that hirers, contractors and others who use the school premises conduct

themselves and carry out their operations in such a manner that all statutory and advisory safety requirements are met at all times.
